

Hult's Wetland Trail: easy, flat, mowed, loop path thru tall grass to wetlands and bat habitats.

Dickerson Trail: moderate, mostly wooded, partly mowed path up & down the west ridge.

Kreissl Trail: moderate, partly mowed path along a creek before climbing the west ridge.

Steinhauser Trail: more difficult hilly loop path crossing several creeks and visiting 3 ridges.

The east-most ridge offers nice views of the valley, railroad track and Licking River.
